Collection and Lien Enforcement Policy and Procedures for Assessment Delinquencies

PURPOSE STATEMENT

The following is a statement (the "Policy Statement") of the specific procedures, policies and practices employed by Seal Beach Mutual Number Sixteen, a California nonprofit mutual benefit corporation ("Mutual 16") in enforcing lien rights or other legal remedies for default in payment of assessments against its members ("Shareholders"). This Policy Statement is provided pursuant to the requirements of California Civil Code Section 5310(a)(7) and incorporates by reference the disclosure provided by Mutual 16 pursuant to California Civil Code Section 5730.

The collection of delinquent assessments is of vital concern to all Shareholders of Mutual 16. Such efforts ensure that all Shareholders pay their fair share of the costs of services and facilities provided and maintained by Mutual 16. Shareholders' failure to pay assessments when due creates a cash-flow problem for Mutual 16 and causes those Shareholders who make timely payment of their assessments to bear a disproportionate share of the community's financial obligations.

Assessments are the separate debt of shareholders. Mutual 16 may employ single collection recourses or combinations thereof as allowed by law. In addition to any other rights provided for by law or described in the governing documents, including, but not limited to the Articles of Incorporation, Bylaws, and each Shareholder's Occupancy Agreement ("Governing Documents"), the Board has the right to collect delinquent assessments as stated herein.

WE SINCERELY TRUST THAT ALL SHAREHOLDERS, IN THE SPIRIT OF COOPERATION AND IN RECOGNITION OF THEIR LEGAL OBLIGATIONS, WILL MAKE TIMELY PAYMENTS AND AVOID THE IMPOSITION OF LATE CHARGES AND POSSIBLE RESULTANT LEGAL ACTION, AND REIMBURSEMENT FOR THE COSTS OF SUCH LEGAL ACTION. IT IS IN YOUR BEST INTEREST AND THE BEST INTEREST OF THE COMMUNITY AS A WHOLE TO MAKE YOUR MONTHLY PAYMENTS ON TIME.

REGARDLESS OF WHETHER A LIEN IS RECORDED AGAINST YOUR LEASEHOLD INTEREST DURING THE COLLECTION OF PAST-DUE ASSESSMENTS, ALL SHAREHOLDERS HAVE A PERSONAL AND ONGOING OBLIGATION TO PAY ASSESSMENTS AND CHARGES.

SEAL BEACH MUTUAL NO. SIXTEEN**Shareholder Regulations****ADOPT****Collection and Lien Enforcement Policy and Procedures for Assessment Delinquencies****BASIC POLICIES AND PROCEDURES**

Delinquency reports are made available monthly by Mutual 16's managing agent to the Board of Mutual 16, identifying the delinquent Shareholder, the delinquent amount and the length of time the assessments have been in arrears. Additionally, to ensure the prompt payment of monthly assessments Mutual 16 employs the following collection and lien enforcement procedures. The policies and practices outlined herein shall remain in effect until such time as they may be changed, modified, or amended by a duly adopted resolution of Mutual 16's Board of Directors.

Pursuant to Mutual 16's Governing Documents, as well as the California Civil Code, the following are Mutual 16's collection and lien enforcement policies and procedures for assessment delinquencies. Also following, pursuant to Paragraphs 3, 16 and 22, are Mutual 16's collection policies and procedures for the collection of fines, fees, and chargeable services charged against Shareholders pursuant to the Governing Documents and current law:

1. **Assessments; Assessments Due Date. "Carrying Charges"** as defined by Mutual 16's Occupancy Agreement, also referred to as "assessments" in Mutual 16's Bylaws, are referred to throughout this Policy Statement as "assessments." Assessments are due and payable to Mutual 16, in advance, in equal monthly installments, on the first (1st) day of each month. It is each Shareholder's responsibility to pay assessments in full each month regardless of whether a billing statement is received. Special assessments shall be due and payable on the due date specified by the Board of Directors in the notice imposing the special assessment. In no event shall a special assessment be due and payable earlier than thirty (30) days after the special assessment is duly imposed. If a special assessment is payable in installment payments and an installment payment of that special assessment is delinquent for more than 30 days, all remaining installments will be accelerated, and the entire unpaid balance of the special assessment shall become immediately due and payable. The remaining balance shall be subject to late charges and interest as provided herein. Note that the obligation to pay assessments shall not be relieved or modified by the temporary closure and/or modified availability of common area facilities and amenities, absent a moratorium or mandate from state officials, or as otherwise determined at the discretion of the Board of Directors.
2. **Reminder Notice; Administrative Collection Fee.** If Assessments are not received by Mutual 16 on or before the close of business on the first (1st) day of the month

(or if a special assessment is not received by Mutual 16 on or before the close of business on the fifteenth (15th day after it is due), a Reminder Notice is sent to the Shareholder. PLEASE NOTE THAT TO BE CONSIDERED TIMELY, THE PAYMENT MUST BE RECEIVED BY MUTUAL 16 WITHIN THIS GRACE PERIOD. SIMPLY PLACING THE PAYMENT IN THE MAIL BEFORE THE GRACE PERIOD EXPIRES IS NOT SUFFICIENT. It is the policy of Mutual 16 not to waive any duly imposed late charges, interest, or collection fees and costs. Each delinquent account shall incur an administrative collection fee, in the amount of Ten Percent or Ten Dollars (10% or \$10.00) (the “Administrative Collection Fee”), which is charged by Mutual 16’s managing agent to reasonably cover staff’s costs to prepare the files for delivery to Mutual 16’s collection agent in order to carry out collection activities authorized hereunder, as well as direct costs incurred in recording and/or forwarding documents in connection with the collection process. (See Brown v. Professional Community Management, Inc. [2005] 127 Cal.App.4th 532.) This Administrative Collection Fee may be increased by majority vote of Mutual 16’s Board and may be collected by Mutual 16’s collection agent on Mutual 16’s behalf, and remitted to Mutual 16’s managing agent, or may be directly collected by Mutual 16’s managing agent. IT IS THE SHAREHOLDER’S RESPONSIBILITY TO ALLOW AMPLE TIME TO DROP OFF OR MAIL ALL PAYMENTS SO THAT THEY ARE RECEIVED BEFORE THE DELINQUENCY DATE. All notices or invoices for assessments will be sent to Shareholders by first-class mail addressed to the Shareholder or the Shareholder’s designee at his or her address as shown on the books and records of Mutual 16 unless otherwise required by law. However, it is the Shareholder’s responsibility to be aware of the assessment payment due dates and to advise Mutual 16 of any changes in the Shareholder’s mailing address.

- 3. Late Charges; Interest. Assessments not received by the first (1st day of the month will incur a late fee in the amount of Ten Percent of Ten Dollars (10% or \$10.00), which amount is consistent with statutory authority. Further, both state law and Mutual 16’s governing documents provide for interest on the delinquent assessment, late charges and collection fees and costs. Accordingly, interest may be imposed thirty (30) days after the assessment is due, at an annual percentage rate not to exceed Ten Percent (10%), consistent with Civil Code Section 5650. Such interest may be imposed and collected per the foregoing sentence regardless of whether the Shareholder’s delinquent account is referred to Mutual 16’s collection agent for collections. Non-assessment fines, fees and chargeable services are also subject to late charges and interest.

- 117 4. **Thirty-Day Pre-Lien Letter Notice to Delinquent Shareholder.** If full payment of the
 118 delinquent amount is not received by the close of business on the thirtieth (30th)
 119 day after the date of the Reminder Notice, Mutual 16's managing agent will send a
 120 pre-lien letter (also referred to as a final demand for payment letter) to the
 121 Shareholder as required by Civil Code Section 5660 by certified and regular first
 122 class mail, to the Shareholder's mailing address of record in Mutual 16's books
 123 and records advising of, among other things required by law, the delinquent status
 124 of the account, including an itemized statement of the charges owed by the
 125 shareholder, impending collection action and the Shareholder's rights including a
 126 statement that the shareholder will not be liable to pay charges, interest and costs
 127 of collection if it is determined the assessment was paid on time to Mutual 16, and
 128 the right to request a meeting with the Board of Directors of Mutual 16 pursuant to
 129 Civil Code Section 5665, the right to dispute the assessment debt by submitting a
 130 written request for dispute resolution pursuant to Civil Code pursuant to Article 2
 131 (commencing with Section 5900) of Chapter 10 ("IDR"), the right to request
 132 alternative dispute resolution pursuant to Article 3 (commencing with Section
 133 5925) of Chapter 10 ("ADR") and the right to request debt validation.
 134 Notwithstanding the provisions of this paragraph, Mutual 16 may cause a pre-lien
 135 letter to be sent to a delinquent Shareholder at any time when there is an open
 136 escrow involving the Shareholder's leasehold interest, may cause a pre-lien letter
 137 to be sent to a delinquent Shareholder if any special assessment becomes
 138 delinquent, and/or may turn the delinquent account over to Mutual 16's collection
 139 agent to send a pre-lien letter to a delinquent Shareholder.
 140
- 141 5. **Recordation of a Lien Against a Delinquent Shareholder's Leasehold Interest.** If a
 142 Shareholder does not pay the amounts set forth in the pre-lien letter and does not
 143 request IDR or ADR within thirty (30) days of the date of the pre-lien letter, or,
 144 otherwise, requests to validate the debt in which case the collection process will
 145 be placed on hold in order to validate the debt, the delinquent account will be
 146 turned over to Mutual 16's collection agent for collections. The Board shall decide,
 147 by majority vote in an open meeting, whether to authorize Mutual 16's collection
 148 agent to record a lien for the amount of any delinquent assessments, late charges,
 149 interest, and collection fees and costs, including attorneys' fees against the
 150 Shareholder's leasehold interest. If Mutual 16 authorizes Mutual 16's collection
 151 agent to record a lien against the Shareholder's leasehold interest, the Shareholder
 152 will incur additional fees and costs for preparing and recording the lien. The lien
 153 may be enforced in any manner permitted by law, including without limitation,
 154 judicial or non-judicial foreclosure (Civil Code Section 5700). A copy of the lien will
 155 be sent to the Shareholder, via certified mail, within ten (10) days of recordation of

 196

- 197 **9. Account Sent to Mutual 16's Collection Agent In Error.** In the event it is determined
 198 that the Shareholder has paid the assessments on time, the Shareholder will not
 199 be liable to pay the charges, interests, and fees and costs of collection associated
 200 with collection of those assessments. If it is determined that a lien was recorded
 201 in error, a release of lien shall be recorded within twenty-one (21) calendar days
 202 and the owner of the separate interest will be provided with a copy of the release
 203 of lien. If the lien was recorded in error, Mutual 16 shall promptly reverse all late
 204 charges, fees, interest, attorney's fees, and costs of collection.
 205
- 206 **10. Payment Under Protest.** A Shareholder may but is not obligated to, pay under
 207 protest any disputed charge or sum levied by Mutual 16, including but not limited
 208 to, an assessment, fine, penalty, late fee, collection cost, or monetary penalty
 209 imposed as a disciplinary measure, and by so doing, specifically reserve the right
 210 to contest the disputed charge or sum in court or otherwise.
 211
- 212 **11. Right to Dispute the Debt.** A Shareholder has the right to dispute the assessment
 213 debt by submitting a written request for dispute resolution to the collection agent
 214 for delivery to Mutual 16 pursuant to Civil Code Section 5900 et seq. A dispute, by
 215 itself, will not impede Mutual 16's ability to record a lien.
 216
- 217 **12. Right to Request Internal Dispute Resolution ("IDR").** Pursuant to Civil Code
 218 Section 5670, prior to recording a lien, Mutual 16 offers to Shareholders, and if so
 219 requested by a Shareholder, participation in internal dispute resolution ("IDR")
 220 pursuant to Mutual 16's "meet and confer" program.
 221
- 222 **13. Right to Request Alternative Dispute Resolution ("ADR").** A Shareholder has the
 223 right to request alternative dispute resolution with a neutral third party pursuant to
 224 Civil Code Section 5925 et seq. before Mutual 16 may initiate foreclosure against
 225 the Shareholder's leasehold interest, except that binding arbitration shall not be
 226 available if Mutual 16 intends to initiate a judicial foreclosure.
 227
- 228 **14. Right to Request Debt Validation.** Under the Fair Debt Collection Practices Act
 229 ("FDCPA"), a Shareholder may request that Mutual 16 and/or its collection agent
 230 send the Shareholder proof that the debt sought to be recovered is valid, that the
 231 Shareholder lawfully owes the debt, and that Mutual 16 and/or its collection agent
 232 has the right to collect the debt.

15. Payment Plan Requests. Any Shareholder who is unable to pay assessments will be entitled to make a written request for a payment plan to Mutual 16, or Mutual 16’s collection agent, as applicable, to be considered by the Board of Directors. A Shareholder may also request to meet with the Board in executive session to discuss a payment plan if the payment plan request is mailed within fifteen (15) days of the postmark date of the pre-lien letter. If such request is mailed within fifteen (15) days of the postmark of the pre-lien letter, the Board will meet with the Shareholder, in executive session, within forty-five (45) days of the postmark of such request, unless there is no regularly scheduled meeting of the Board within that time period, in which case the Board may designate a committee of one or more directors to meet with the Shareholder. The Board will consider payment plan requests on a case-by-case basis and is under no obligation to grant payment plan requests. Payment plans shall not interfere with Mutual 16’s ability to record a lien on a Shareholder’s separate interest to secure payment for the Shareholder’s delinquent assessments. If the Board authorizes a payment plan, it may incorporate payment of ongoing assessments that accrue during the payment plan period in addition to a one-time setup fee. If a payment plan is approved by the Board, additional late charges from the Shareholder will not accrue while the Shareholder remains current under the terms of the payment plan. If the Shareholder breaches an approved payment plan, Mutual 16 may resume its collection action from the time the payment plan was approved. Generally speaking, no payment plan may exceed six (6) months in duration. Any payment plan which exceeds six (6) months in duration must be accompanied by a written explanation of the reason for the request, which includes documentation of the Shareholder’s special circumstances, financial hardship and ability to make the payments requested.

16. Termination of Shareholder’s Rights under Occupancy Agreement. Nothing herein limits or otherwise affects Mutual 16’s right to proceed in any lawful manner to collect any delinquent sums owed to Mutual 16 (such as duly levied and imposed assessments, fines, fees and chargeable services, and any associated late charges and interest), or to pursue any other discipline set forth in Mutual 16’s governing documents, including but not limited to a termination of the Shareholder’s rights under the Occupancy Agreement and pursuant to the procedures set forth the Bylaws and pursuing an unlawful detainer action or other proceeding which may apply to the eviction of tenants.

- 272 17. **Release of Lien.** Prior to the release of any lien, or dismissal of any legal action, all
 273 assessments, late charges, interest, and fees and costs of collection, including
 274 attorneys' fees, must be paid in full to Mutual 16.
 275
- 276 18. **No Right of Offset.** There is no right of offset. Shareholder may not withhold
 277 assessments owed to Mutual 16 on the alleged grounds that the Shareholder is
 278 entitled to recover money or damages from Mutual 16 for some other obligation.
 279 Additionally, the obligation to pay assessments shall not be relieved or modified
 280 by the temporary closure and/or modified availability of common area facilities and
 281 amenities, absent a moratorium or mandate from state officials or as otherwise
 282 determined at the discretion of the Board.
 283
- 284 19. **Returned Checks.** Mutual 16 may charge the Shareholder a Twenty-Five Dollar
 285 (\$25.00) fee for the first check tendered to Mutual 16 that is returned unpaid by the
 286 Shareholder's bank and Thirty-Five Dollars (\$35.00) for each subsequent check
 287 passed on insufficient funds. If the check cannot be negotiated, Mutual 16 may also
 288 seek to recover damages of at least One Hundred Dollars (\$100.00), or, if higher,
 289 three (3) times the amount of the check up to One Thousand, Five Hundred Dollars
 290 (\$1,500.00) pursuant to Civil Code Section 1719.
 291
- 292 20. **Additional Mailing Addresses.** Shareholders have the right to provide a secondary
 293 address to Mutual 16 for mailing of an additional copy of notices and other
 294 correspondence related to collection of delinquent assessments. The
 295 Shareholder's request shall be in writing and shall be mailed to Mutual 16 in a way
 296 that shall indicate that Mutual 16 has received it. A Shareholder may identify or
 297 change a secondary address at any time, provided that, if a secondary address is
 298 identified or changed during the collection process, Mutual 16 shall only be
 299 required to send notices to the indicated secondary address from the point Mutual
 300 16 receives the request.
 301
- 302 21. **Charges Subject to Change.** All charges listed herein are subject to change upon
 303 thirty (30) days prior written notice. After a delinquent account has been turned
 304 over to Mutual 16's collection agent, Mutual 16's collection agent's charges may
 305 vary from Mutual 16's and are subject to change without prior written notice.
 306 Shareholders in collections should rely on Mutual 16 collection agent's charges
